SUBJECT: New Subcontracting Plan Requirement

SUMMARY: FAR 19.702(b)(1) states that subcontracting plans are not required from small business concerns. However, section 6022 of the recently passed Emergency Supplemental Appropriations for Defense, the Global War on Terror, and Tsunami Relief, 2005 (Public Law 109-13) requires submittal of subcontracting plans from DOE contracted small businesses that receive prime contract awards over \$25,000,000 which resulted from breaking out work from M&O contracts. This requirement (see attachment) is effective through the end of FY 2007. Please disseminate this information to contracting offers and affected contractors.
